## Little Lake Paddling Route

**Difficulty Level:** Intermediate

**Distance:** 6.5 km loop

**Portages:** None

**Put-in/Take-out:** Beavermead Park on Ashburnham Drive, Roger's Cove on Maria Street, T-wharf by the Art Gallery on Crescent St. (parking at Del Crary Park)

**Notes:** *There is a current in many places along this route, especially near the bridges. Another easy, scenic route in the City is from the Trent University rowing club down the canal to the Lift Lock and back - you'll forget you're in the City!*

Remember to stay on marked portages, stay close to shore while on larger bodies of water and cross channels quickly and cautiously!
