

Nogies Creek Paddling Route

Difficulty Level: Easy

Distance: 5 km one way

Portages: One 100 m

Put-in/Take-out: Bridge over creek on Bass Lake Rd. off County Rd. 36

***Notes:** The creek disappears through the rocks for a short distance and reappears a short distance upstream. You must portage at this point. The footing on this portage is quite rough.*

Remember to stay on marked portages, stay close to shore while on larger bodies of water and cross channels quickly and cautiously!
