## Keene Walking Route

The picturesque Village of Keene is nestled in the rolling farmland of Otonabee-South Monaghan township. The village walking route features historic homes, the General Store, and the soaring United Church bell tower. Originally built in 1884 and standing at a height of 120 feet, the bell tower and steeple were recently restored to preserve a piece of Ontario's architectural history. Be sure to explore the gardens in Leo James Foley Park at the four way stop in Keene. Can you find the butterfly house?
