## Young's Point Walking Route

Our area is known as “The Land of Shining Waters” and Young's Point is no exception. Watch as boats maneuver through Lock 27 to continue their voyage along the Trent-Severn Waterway. Look for giant carp schooling at the base of the dam. Walk through the cool, shaded woodland trail of the Young's Point Conservation Area to reach the South Beach Road where the air is scented with wild strawberry in early summer. Local restaurants and businesses offer delicious and interesting fare.

### **Distance:**

- Route Length: 2.0 km
- Route Time: 25-30 minutes
